MASTER OF BUSINESS ADMINISTRATION

INTAKE : JULY | NOVEMBER | MARCH
DURATION : 1 TO 2 YEARS

In a volatile, uncertain, complex and ambiguous global environment today, business managers need to quickly and flexibly react to overcome increasing challenges.

Our UPM MBA program is targeting professional leaders and managers to increase their knowledge and quality of skills in business and organizational management.

Our program is specifically formulated to develop a strong foundation for business management skills, thus it is highly suitable for both students who possess a business management education background and those who do not.

Our case-based research project will enable students to explore the intricacies of a business in a chosen industry. This will expand students' knowledge and experience and indirectly train them to think and make decisions strategically.
